```

The diagram illustrates a header file inclusion structure. At the top is a gray-shaded box representing the header file: `SoftProcessorUnit/Disassembly/Helpers/DisAssemblyHelpers.hpp`. Below it are two white boxes representing source files. A blue arrow points from the left source file, `SoftProcessorUnit/Disassembly/Helpers/DisAssemblyHelpers.cpp`, to the header file. Another blue arrow points from the right source file, `SoftProcessorUnit/Disassembly/SPUDisAssembly.cpp`, to the same header file.
