```

The diagram illustrates a header file inclusion structure. At the top is a header file box labeled 'SoftProcessorUnit/Disassembly/Helpers/DisAssemblyHelpers.hpp'. Below it are two source file boxes: 'SoftProcessorUnit/Disassembly/Helpers/DisAssemblyHelpers.cpp' on the left and 'SoftProcessorUnit/Disassembly/SPUDisAssembly.cpp' on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header.
